

# Attention

## Central Valley Growers

If you have irrigation return flows and/or storm water runoff from your Central Valley irrigated lands, you must comply with the new water quality requirements.

There are three options and here is what you need to do:

- Join an approved water quality coalition group, or
- Apply for an individual discharge waiver, or
- Submit a complete report of waste discharge (i.e. permit application) with filing fee.

If you do not sign up for one of the three options, the Central Valley Regional Board may take enforcement action, including the possibility of a fine.

☒ Additional program information can be found at:  
**[http://www.swrcb.ca.gov/rwqcb5/programs/irrigated\\_lands](http://www.swrcb.ca.gov/rwqcb5/programs/irrigated_lands)**
